July 23, 1954.

The Municipal Commissioner
Davangere City Municipality
Davangere City.

Dear Sir:

Levy of Licence Fee in respect of Storage of Kerosene and Petrol in Davangere City Municipal Limits.

Further to your copy of our letter No. 6054/IRD-2/HCS dated 5th July 1954, addressed to the Chief Inspector of Explosives on the above subject with special reference to your letter No. H.C.149/53-54 dated 4th June 1954, we attach hereto the Chief Inspector of Explosives' reply No.P-1(1)-54 dated 17th July 1954, for your attention.

In the light of the Chief Inspector of Explosives in India's letter under reference, no taxes can be levyed by you after 24th May 1954 on Non-dangerous petroleum godowns whose storage capacity exceeds 500 Imperial Gallons. We are advising our Agent not to pay these taxes in future.

With reference to the licence fee for the year 1949-50 to 1953-54, for our Kerosene Oil godown at Davangere City, we are advising our agent to pay Rs 70/- being the licence fee for five years at Rs.14/- per annum.

Yours truly
STANDARD-VACUUM OIL COMPANY

OPERATING ENGINEER

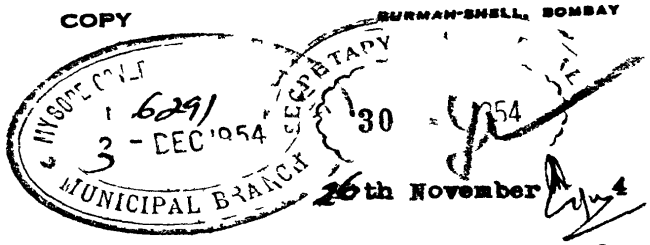
BURMAH-SHELL, BOMBAY



B/MS/Leg.4/4. 26th November 30 1954

The Municipal Commissioner,
City Municipality,
Davangere. (Mysore State)

Dear Sir,

Levy of License fees in respect of storage of Kerosine and Petrol in Davangere City Municipal Limits.

We thank you for your letter No.HC/149/54-55 of 16/10/54.

You have evidently written through misunderstanding of the correct position.

You have stated that Govt. of India notification dated 24/5/54 relates to the storage of non-dangerous petroleum and therefore does not pertain to storage of Kerosine oil thereby indicating that Kerosine oil is not non-dangerous petroleum.

The petroleum Act has classified petroleum under three main heads (1) Dangerous petroleum or what is commonly called "Petrol" having its flashing point below 76°F (2) non-dangerous petroleum or what is usually known as "Kerosine oil" having its flashing point below 150°F (3) Heavy petroleum (Diesel Oil) with its flashing point not below 150°F but below 200°F.

The notification No.SRO.1722 dt.24-5-54 issued by the Ministry of Works, Housing & Supply directs that to the Acts in the Schedule annexed to the Notification of the Government of India in the late Ministry of Works, Mines & Power No.P-104, dated 4th May, 1950, the enactment viz The Mysore City Municipalities Act, 1953 (Mysore Act VII of 1953) shall be added. Notification No.P-104 of 4-5-1950 limits the operation of the enactments specified in the schedule annexed thereto, in so far as the said enactments relate

4 400x500 2 54 R P

to the storage or transport of Petroleum other than Petroleum which has it flashing point not below 200°F to the following quantities, namely -

(1) In the case of dangerous petroleum to quantities of six gallons or less, not intended for sale and kept in securely stoppered receptacles of glass, stoneware or metal, not exceeding one quart in capacity in the case of receptacles of glass or stoneware and not exceeding five gallons in capacity in the case of receptacles of metal ;

(ii) In the case of non-dangerous petroleum having its flashing point below 150°F to quantities not exceeding five hundred gallons provided none of it is contained in a receptacle exceeding two hundred gallons in capacity.

(iii) In the case of non-dangerous petroleum having its flashing point not below 150°F but below 200°F to quantities not exceeding ten thousand gallons not stored in the same installations or storage shed as other petroleum and exempt from licence under the rules contained in chapter V of the Petroleum rules, 1937.

In view of the above explanation, you will find that our Agents at Devangere are entitled to the refund of license fee (recovered by you) for the period from 24/5/54 to 31/3/55 as detailed in our letter to you of 27/8/1954.

We trust you will kindly expedite the refunds to our Agents under advice to us.

Yours faithfully,

Distributing Co., of India Ltd.,
Ballard Estate,
Post Box No 193,
Bombay.

Sir,

Subject Levy of license fees in respect of storage of kerosene and petrol in Davangere City Municipal limits.

With reference to your letter No.B/Ms Leg 4/4 dated 27-8-54/4-9-54, on the above subject, I write to state that so far a copy of notification of Government of India dated 24-5-54 has not been received in this Office. Moreover the notification dated 24-5-54, issued by the Government of India limits the operation of Local enactments in respect of storage on nondangerous petroleum and does not pertain to storage of Kerosene Oil and as such the question of refund in respect of storage fee recovered on Kerosene Oil godowns does not arise.

As regards refund of storage fee on petrol from 24-5-54, the matter will be taken up only after receipt of Official communication of the India Government Notification dated 24-5-54 through our State Government who have been addressed in the matter to send a copy of the same.

Yours faithfully,
